Even now,
I still see you,
Walking towards me
Oh, how it brings back,
Memories from yester year

From the start,
I also knew it was,
Inevitable
If only we could've,
Stopped fate from pulling us apart

Memories
Of heart aches & lonely days
But I still keep asking

Do you remember when we first touched?
Oh, how it felt like heaven is right on Earth

Do you remember when we first kissed?
Oh, how I wish that time would just stop

Do you remember how it felt?
Oh, how I wish that feeling would never fade

Ima anata no koe ga kikoeru
[Koko ni oide] to
Sabishisa ni makesouna watashi ni

Ima anata no sugata ga mieru
Aruitekuru
Me wo tojite matteiru watashi ni

Kinou made namida de kumotteta
Kokoro ha ima...

Oboeteimasu
Ka me to me ga atta toki wo

Oboeteimasu
Ka te to te ga fureatta toki

Do you remember when we first touched?
Oh, how it felt like heaven is right on Earth

Do you remember when we first kissed?
Oh, how I wish that time would just stop

Do you remember how it felt?
Oh, how I wish that feeling would never fade

But it's time to let go

Mou, hitoribocchi janai
Anata ga iru kara...
