There's a part of me, oh girl
That want to be yours forever
And I would give up all the time in my life,
So that I can spend it all with you
Oh girl,
I really wish that I could be
Your knight in shining armour
But I'll never find out,
How much I mean to you,
I wish I could be the one for you
I wish I could,
Be the one in your heart,
I wish that you knew
How I feel about you
It's hard to say,
But I want to be there
Just right by your side,
Oh EVERYDAY
As each and every day pass me by,
There isn't one which I won't miss you
And I would give up all dreams I've had,

Cause that's what you're made of

Oh girl,

I really wish that I could be

Your knight in shining armour

But I'll never find out,

How much I mean to you,

I wish I could be the one for you

I wish I could,

Be the one in your heart,

I wish that you knew

How I feel about you

It's hard to say,

But I want to be there

Just right by your side,

Oh

I wish I could,

Be the one in your heart,

I wish that you knew

How I feel about you

It's hard to say,

But I want to be there

Just right by your side,

Oh EVERYDAY

It's hard to say,

But I want to be there

Just right by your side,

Oh EVERYDAY

For each and every smile you make,

I would take a star down for you

If I only had you in my lone days,

I would have the universe in my palms
