There's a part of me, oh girl
That want to be yours forever
And I would give up all the time in my life,
So that I can spend it all with you

Oh girl,
I really wish that I could be
Your knight in shining armour
But I'll never find out,
How much I mean to you,
I wish I could be the one for you

I wish I could,
Be the one in your heart,
I wish that you knew
How I feel about you
It's hard to say,
But I want to be there
Just right by your side,
Oh EVERYDAY

As each and every day pass me by,
There isn't one which I won't miss you
And I would give up all dreams I've had,
Cause that's what you're made of

Oh girl,
I really wish that I could be
Your knight in shining armour
But I'll never find out,
How much I mean to you,
I wish I could be the one for you

I wish I could,
Be the one in your heart,
I wish that you knew
How I feel about you
It's hard to say,
But I want to be there
Just right by your side,
Oh

I wish I could,
Be the one in your heart,
I wish that you knew
How I feel about you
It's hard to say,
But I want to be there
Just right by your side,
Oh EVERYDAY

It's hard to say,
But I want to be there
Just right by your side,
Oh EVERYDAY

For each and every smile you make,
I would take a star down for you
If I only had you in my lone days,
I would have the universe in my palms
