Should've seen the signs...  
Never question fate...  
Should've, just left you behind...

Shouldn't have asked you again...  
Shouldn't have given me a chance...  
Now, it's just too late...

Why, this always happens to me?  
Am I to live this torment?  
Why, this always happens to me?  
Girl, I'm so sorry...

Why was I such a fool?  
Breaking your heart once...  
And now, breaking it again?

Wish I could turn back time...  
Apologise for what I did...  
But wishes, that's all they are now...

Why, this always happens to me?  
Am I to live this torment?  
Why, this always happens to me?  
Girl, I'm so sorry...

Never wanted this to happen...  
Never wanted to see you crying...  
Just wanted to make things right...  
And now it's just too late...

Why, this always happens to me?  
Am I to live this torment?  
Why, this always happens to me?  
Girl, I'm so sorry...  
Why, this always happens to me?  
Am I to live this torment?  
Why, this always happens to me?  
Girl, I'm so sorry...

Girl, I'm so sorry...  
Oh baby girl...

I'm so sorry...
