Is there anyone that fails?  
Is there anyone that falls?  
Am I the only one in the world today,  
Feelin' so small

Cause when I take a look around,  
Everybody seems so strong,  
They turned their backs against me,  
Blinding out all the light

So I tuck it all away,  
Like everything's okay,  
If I tried to be quiet,  
Maybe they won't notice,  
So with a painted smile,  
I play the part again,  
So everyone will see me,  
The way I try to be

Is there anyone out there?  
Who really understands?  
The pain I have to go through,  
Every day of my life  
If only everyone,  
Knows how much it hurts,  
Just to be an out-cast,  
With nobody to hold on to

Am I the only one left out?  
To cry and fall alone,  
With the whole world out there,  
Just simply laughing away

The performance is convincing,  
And I never tried to voice,  
About the pain I feel inside,  
Or taking off this mask

Would it change a single thing?  
If I dared to let you see,  
The truth behind the person,  
That everyone thinks I am,

Would it stop these eyes of disgust,  
From staring at me,  
Everywhere I go,  
Or is it just a lie

Is there anyone out there?  
Who really understands?  
The pain I have to go through,  
Every day of my life  
If only everyone,  
Knows how much it hurts,  
Just to be an out-cast,  
With nobody to hold on to

I tried,  
Not to break,  
But it's,  
Just too much  
If only,  
I had knew,  
That it was,  
Inevitable  
What would you,  
Have done,  
Don't lie to me,  
With those tainted masks~

Is there anyone out there?  
Who really understands?  
The pain I have to go through,  
Every day of my life  
If only everyone,  
Knows how much it hurts,  
Just to be an out-cast,  
With nobody to hold on to

Is there anyone out there?  
Who really understands?  
The pain I have to go through,  
Every day of my life  
If only everyone,  
Knows how much it hurts,  
Just to be an out-cast,  
With nobody to hold on to

Is there anyone that fails?  
Is there anyone that falls?  
Am I the only one in the world today,  
Feelin' so small
