Ohhh... mmmmm...
Ohhhhhhhhhooooo...

Guess it's a pain that,
Brings back those memories.
All of the ones that I,
Thought were all dead and gone.
But then, I guess that time, has a hold,
Of all my dreams, of you,
I can't go back until they're through.

Baby don't ask me,
If I am happy.
It's such a funny game,
It always ends in pain.
And I'm, no good at lies, I can't take it,
I feel so, alone,
No other love can take your place.

All of my memories,
Lost like a dreamer.
Beautiful rainbows,
Coming out, after the rain.
I was such a fool,
Holding on to your love.
And all I, have left are,
Sweet memories

Don't kiss me baby,
We can never be.
So don't add more pain,
Please don't hurt me again.
I've spent, so many nights,
Thinking of you.
Longing for, your touch,
I have once loved you so much.

Guess I was too young,
Too young to know love.
Too young to think that,
You would hurt me, like the others you found.
Too young for rainbows,

All of my colours turned to rain.
And now I, am left with,
Sweet memories

All of my memories,
Lost like a dreamer.
Beautiful rainbows,
Coming out, after the rain.
I was such a fool,
Holding on to your love.
And all I, have left are,
Sweet memories
