Got the love, got the love, yeah  
Got the love, got the love  
Got the love, got the love, sugar baby  
Got the love, got the love

Now babe, you've been gone such a long time  
Been thinkin' 'bout what it is we got  
Not all the time in the world  
Woo, but we got a lot

Now there is much more than a ghost of a chance  
We can make it right this time  
'Cause you've got to stay mine  
I got the love

Got the love, got the love  
Got the love, got the love  
Got the love, got the love  
Got the love, got the love

Now you might not think that I care at all but I do  
You know me so much better than anyone else  
It should be easy to convince you that I got the love, I  
got the love

You better listen to what he's saying  
'Cause it's true  
Got the love

Got the love, got the love  
Got the love, got the love  
Got the love, got the love  
Got the love, got the love

Now come on girl, let's work it out 'cause I know we can  
Let's make it something to shout about  
C'mon and take my hand 'cause I got the love

Got the love, got the love  
Got the love, got the love  
Got the love, got the love  
Got the love, got the love

Got the love, got the love  
Got the love, got the love  
Got the love, got the love  
Got the love, got the love

Got the love, got the love  
Got the love, got the love  
Got the love, got the love
