You git a way about you, lady,  
You can charm the birds right out of the trees with your  
sweetness  
Maybe if I stayed around you long enough  
I might find how good this thing could be.  
Can you get Sweeter than sugar  
Can you get Sweeter than wine  
Can you get Sweeter than perfume  
Can you get Sweeter than sunshine  
HOW SWEET CAN YOU GET  
Oh baby, HOW SWEET CAN YOU GET  
HOW SWEET CAN YOU GET  
Just HOW SWEET CAN YOU GET  
HOW SWEET CAN YOU GET, how sweet.  
Ooh when you smile at me the clouds all disappear  
You are warmer than a sunny sunny day in L.A. baby,  
Still it seems too perfect and I really got to know  
That is why I got one question for you  
And I just gotta say  
Can you get Sweeter than honey  
Can you get Sweeter than wine  
Can you get Sweeter than roses  
Can you get Sweeter than sunshine  
Something kinda tells me  
That the best is yet to come  
HOW SWEET CAN YOU GET  
HOW SWEET CAN YOU GET (repeated ad lib to fade  
out)
