If you're foolin', only foolin'
All I ask is, why?
And if you're playin', all I'm sayin' is
Feelings sure can lie

And if you're lyin', keep on lyin'
Don't tell the truth, don't you dare
You can't drop me, baby, you still got me
After takin' me way up there

Way up there, yeah

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the same

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the same

When you're kind, ooh, extra kind
Then suddenly, oh baby, get crossed
You're so moody, but you really get to me
And I can't turn you off

You're fascinating, much more fascinating
Than the dark side of the moon
You're so exciting, hey babe, I'm re-writing
This book of love called 'You'

Yes it's 'You'

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the same

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the same

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven

Whoa, I'll never, never, never, never

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
Whoa, I'll never be the same

Ohh, if I ever lose this Heaven
If I ever, ever, ever lose this Heaven
