Working in a Soul Mine
Working in a Soul Mine
Working in a Soul Mine
Working in a Soul Mine
You make me work, just love to see me sweat
The hotter baby, the rougher that it gets
Your'e a heart 's stopper, you must be made of stone
Sometimes I swear I wish, you'd leave me alone
It's like working in a Soul Mine
I just can't work no harder
It's like working in a Soul Mine
Till the day is done
Working in a Soul Mine
I just can't work no harder
Working in a Soul Mine when can I have some fun
Yeah, you make it seem, you're having fun when I hurt
Sometimes I think you just love to see me hurt
I'm like a dog babe, digging in the dirt
Sometimes I think you don't know what you're doing to
me
Back on my knees, got a mind to set me free
It's like working in a Soul Mine
Just can't work no harder

It's like working in a Soul Mine
Till the day is done
Working in a Soul Mine
I just can't work no harder
Working in a Soul Mine, when can I have some fun
Working in a Soul Mine
Working in a Soul Mine
Believe me baby, I don't wanna be this way
You bring me trouble girl, what more can I say
Give me soul, blood and roll my fingers to the bone
Give me back my soul babe, I wanna take my spirit
home
Now I'm working in a Soul Mine
Just can't work no harder
It's like working in a Soul Mine
Till the day is done
Working in a Soul Mine
I just can't work no harder

Working in a Soul Mine, gotta have some fun
It's like working in a Soul Mine
Just can't work no harder
It's like working in a Soul Mine
Till the day is done
Working in a Soul Mine
I just can't work no harder
