So good  
When it's good I wanna spend my whole life lovin' you  
But I'm tired  
And you don't know how close I've come to leaving you  
You try my patience  
And you race me to the wire  
It takes every ounce of my will and desire  
If I didn't love you  
If I didn't love you like crazy  
If I didn't love you baby  
As much as I do  
I'd just walk out the door  
I couldn't take it anymore  
I wouldn't put up with what you put me through  
If I didn't love you  
It's hard  
But you won't give up 'till you  
Push me to the wall  
But I know  
You're the only one who'll be there for me  
When I call (oh yes you will)  
I can't help believing  
That it's worth it somehow  
Cause I've worked too damn hard  
To wanna give up now  
If I didn't love you  
If I didn't love you like crazy  
If I didn't love you baby  
As much as I do  
I'd just walk out the door  
I couldn't take it anymore  
I wouldn't put up with what you put me through  
If I didn't love you  
If I didn't love you  
Nah, If I didn't  
If I didn't love you like I do  
When you love someone  
Nothings black or white  
When the riptide runs  
There's no wrong or right  
I'll sail with you but I'll refuse to drown

So don't you take me down, down  
Take me down down  
Don't you take me down, down, down  
If I didn't love you  
If I didn't love you  
I'd walk out that door  
I don't need it anymore  
Need to put up with what you put me through  
If I didn't love you  
If I didn't love you  
If I didn't love you  
If I didn't love you like I do o o o  
I'd walk out that door I'm not comin' back no more No
