A million stars light  
This beautiful night  
This is not a night to die  
Let me sing and dance  
Beneath the sky

I have such love to give  
To give  
I want a chance to live

Live  
For the one I love  
Love  
As no one has loved  
Give  
Asking nothing in return

Free  
Free to find my way  
Free to have my say  
Free to see the day

Be  
Like I used to be  
Like a wild bird free  
With all of life in me

Live  
For the one I love  
Love  
As no one has loved  
Give Asking nothing in return

Though this world tears us apart  
We're still together in my heart  
I want the world to hear my cry  
And even if I have to die  
Love will not die  
Love will change the world

Live

For the one I love  
Love  
As no one has loved  
Give Asking nothing in return

I'll love until love wears me away  
I'll die and I know my love will stay  
And I know my love will stay
