Here we are  
Face to face  
Who would've ever believed  
We could end up in this place  
You and I we've come so far  
And darlin' though  
You're amazed  
That I keep on loving you  
More every day  
But there's something I want you to know  
Even if all my dreams  
Should come true  
Or even if I should fail  
I made you a promise  
So don't you worry  
This soul is not for sale  
Not for sale  
You're the one  
When it rains  
Who I can run to for cover  
And comfort from my pain  
And bloom like a rose in your sun  
And we hold on  
To what is real  
Not willing to sacrifice  
This love that we feel  
Cause we know where  
Our joy comes from  
Even if all my dreams  
Should come true  
Or even if I should fail  
I made you a promise  
So don't you worry  
This soul is not for sale  
Not for sale  
Baby it's not for sale
