When the sky is grey and it looks like rain  
Just think of me, I'll come running from wherever I am  
Just as fast as I can  
How could I ever stand by  
And watch all your hopes and your dreams just die?  
On my word, I'll be there soon  
I'm coming to the rescue  
That's the way a woman feels  
She'll walk through fire if she has to  
That's the way a woman feels  
When she loves someone, like I love you  
When lightning strikes and the thunder tolls  
And you can't find shelter from the cold  
If you close your eyes and say a prayer, I'll be there  
How could I turn away from the one who's life I'd die to  
save?  
There's no sacrifice too great to make  
When you are the reason  
That's the way a woman feels  
She'll walk through fire if she has to  
That's the way a woman feels  
When she loves someone, like I love you  
How could I ever stand by  
And watch all your hopes and your dreams just die?  
On my word I'll be there soon  
I'm coming to the rescue
