Ain't nobody (no) gonna turn me around no more (no)  
Ain't nobody (no) gonna turn me around (no)  
Well I've learned my lesson and now I see  
Love just ain't the thing for me  
Ain't nobody (nobody, nobody, no) gonna turn me  
around  
turn me around (repeat 3x)

Ain't nobody (no) gonna talk sweet talk to me  
Ain't nobody (no) gonna tell how sweet your love can be  
I'm gonna take my love and put in on the shelf  
Ain't gonna give it to nobody else  
Ain't nobody (nobody, nobody, no)  
Who's gonna turn me around  
turn me around (repeat 3x)

Love you've been so doggone mean  
You shattered every one of my dreams  
You know I can't love nobody else  
Yet still you left me here all by myself

You turned me around (repeat three more times)  
I learned my lesson and now I see  
Love ain' the thing for me  
Ain't nobody (nobody, nobody, no)  
Who's gonna turn me around
