All my friends have to ask if I'm shattered  
I say the past is the past and it no longer matters  
I've made my mind up, I can make it  
I'll be fine even if I got to fake it  
I'll keep survivin', ooh

Another night without you  
Another night, I know I can get through  
Another night, it's only  
Another night, I won't be lonely

Another night  
Another night  
Another night, it ain't much  
Another night without your touch

I used to search through the crowd to find you, huh  
But I don't feel like it now, so don't look  
behind you, ooh  
You better face it, I won't be callin'  
I hit my stride when the evening is fallin'  
I'm gonna make it, oh

Another night without you, hey  
Another night, I know I can get through  
Another night, it's only  
Another night, I won't be lonely

Another night  
Another night  
Another night, it ain't much  
Another night without your touch

And when my music is loud and the people are  
laughing  
I'm gonna step on out, I won't be down  
Gonna stand my ground for just  
Another night  
Oh, yes, I am

Another night

You were fizin' out, my sweet, and I knew it  
You didn't give a damn how I got through  
But like you I have someone else too  
Always there too keep me warm, no time for blue

I made my mind up, I can make it  
I'll be fine even if I got to fake it  
I'll keep survivin', yes, I will

Another night without you  
Another night, I know I can get through  
Another night, it ain't much  
My man, I don't need you to keep  
bringin' me down, hey

Another night without you  
Another night, I know I can get through  
Another night, it's only  
Another night, it's only

Another night, yeah, oh, yes, it is  
(Another night)

(Another night)  
I get so restless in my bed without you, boy  
Oh, yes I do  
(Another night)  
And oh, I'm gonna make it now, yes, I am  
You know that I am  
(Another night)  
There'll stand no talkin' at me, boy  
No, no, no, no, no
