when you're down and troubled
and you need some love and care
and nothing....and nothing's going right
close, close your eyes and meditate on Him
and soon, he'll be there
God can brighten up, He can brighten your darkest
hour....
Precious Lord take my hand lead me home
let me stand, i am tired, i am weak i am worn
through storm through night lead me home to the
light, take my hand precious Lord be my friend
Your just call (precious Lord)
out my name (take my hand)
Lead me home (Lead me home)
to the light (let me stand)
He will be there (i get tired and i'm weak)
to see you again (and i get worn i get worn)
winter, spring, summer or fall all you got to do is call
through storm and thru the night lead me
