*All in [] is talking

[Now anytime you want to start, I'll start timing]

Are you sure your prayers
Haven't been answered?

[Man: Cut

Aretha: It seems a little faster doesn't it?

Man: Oh yes it does]

Are you sure your prayers
Haven't been answered?
Now, think
Sister, think

Are you sure...

[Aretha stops singing and
they talk about when the musician should come in

Man: On the second beat

(music plays)

Aretha: Now that was good right there

Music resumes]

Are you sure your prayers
Haven't been answered?
Now, think
Sister, think

[Man: Come here for a minute

Aretha: He got it

Man: That's what you told him

Man: He was getting it what's wrong

Aretha: No this what i told him , he was playing it

They argue about when he should come in

Aretha: Right after I say "are you sure" again

(music resumes and stops again, they argue)

Aretha: No, see you telling him right after that
And he's telling him right after I sing
He cant come in at both places
right after I say "Are you sure" dat dat dat
Man: Then i come in
Aretha: Yeah
Man: Oh you don't want me to come in front
Aretha: No right after I come in then you come in
