You're just too good to be true  
Can't take my eyes off you  
You'd be like heaven to touch  
Oh, I want to hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off you

pardon the way that i stare  
there's nothin' else to compare  
the thought of you leaves me weak  
there are words left to speak  
But if you feel like I feel  
Oh, I did you let me know that it's real  
You're just too good to be true  
Can't take my eyes off you

I love you baby if it is quite all right  
I need you baby to warm a lonely night  
I love you baby trust in me when I say  
Oh, pretty baby don't bring me down, I pray  
Oh, pretty baby, now that I found you stay  
And let me love you baby, let me love you

You're just too good to be true  
Can't take my eyes off you  
You'd be like heaven to touch  
Oh, I want to hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off you

I love you baby if it is quite all right  
I need you baby to warm a lonely night  
I love you baby trust in me when I say  
Oh, pretty baby don't bring me down, I pray  
Oh, pretty baby, now that I found you stay  
And let me love you baby, let me love you
