Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Look at my love blowing away
He's the kind of guy that would say
"Hey, baby let's get away
Let's go some place, huh"
Well I don't care
He's the kind of guy that you give your everything
You trust your heart, share all of your love
Till death do you part

I want-to be what he wants
When he wants it and whenever he needs it
And when he's lonesome and feelin' love starved
I'll be there to feed it
I'm lovin him a little bit more each day
Turns me right on when I hear him say
Hey, baby, let's get away,
Let's go somewhere far
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Daydreamin' and I'm thinkin' of you
Look at my love blowing away
Daydreamin' and I'm thinkin' of you
