(feat. Mary J. Blige)
(Denise Rich, Josh Ruben)

[Mary:]

Lately I've got this funny feeling
Something don't feel the same
But he's telling me I'm the one to blame
Yes I know that he still gives me good loving
But when he's deep inside
There's somebody else on his mind

[Chorus:]

[Aretha:] Don't waste your time
[Mary:] But it gets so hard to know
[Aretha:] Just walk away
[Mary:] You say that I gotta let go
[Both:] Seen it a millions times before
[Aretha:] You shouldn't take his stuff no more
[Mary:] Can't waste my time
[Aretha:] Girl, it's not hard to know
[Mary:] Should walk away
[Aretha:] Oh, you've gotta let him go
[Both:] Seen it a millions times before
[Mary:] Shouldn't take his ish no more

[Aretha:]

Sister girl, sister girl
It's much deeper than what you're thinking
When something don't feel the same
Hey you better believe his love has change
(And I have been telling you, telling you)
And what you're telling me
(Cuz it's been hurting me, hurting me)
It ain't, ain't any fool can see
He's got a sweetie on the side
Stop making truth out of his lies

[Chorus]

[Aretha & Mary:]

What's the point of love
When you got no trust

What's the point of staying
When you seen enough
What's the point of giving
What he don't deserve

[Mary:]
He don't deserve it
No you don't deserve it

[Aretha:]
Oh what's the point of feeling

[Aretha & Mary:]
Like there's nothing inside
What's the point of saying
That you still got your pride
What's the point of giving
What he don't deserve
This is a lesson of love

[Chorus until fade]
