I don't want no body

Always sitting around me and my man.

I don't want no body

Always sitting right there

Looking at me and that man

Be it my mother, my brother, or my sister

Would you believe? I'll get up, put on some clothes,

Go out and help them find somebody for themselves

If I can. Yes I will.

Now I don't mind company

Because company's alright with me every once and a while

Yes it is.

I tell you I don't mind company

Because company's alright with me every once in a while, yeah.

But oh, when me and that man get to loving

I tell you girls I dig you, but I just don't have time

To sit and chit and sit and chit chat and smile.  
Don't send me no doctor

Filling me up with all of those pills

I got me a man named 'Dr. Feelgood'

And oh, yeah that man takes care of all my pains and my ills.

His name is Dr. Feelgood in the morning.

Taking care of business is really this man's game.

And after one visit to Dr. Feelgood

You'd understand why Feelgood is his name

Oh yeah, oh good God Almighty the man sure makes  
me feel real

Gooooooooooooooooooooood!!!!!!

Mood

Clear out everybody - two's company, three's a crowd,  
if you know what I'm saying!
