Come on now
Oh ho ho
Here we, here we, here we go again
Well, boy

I caught you slippin', ooh, you must be trippin'
'Cause now I know, oh, yes I know, mmm
About your other girls in your past, in your black book
A very long time ago

Well, you must think I'm crazy
You must think I'm blind
If you want to keep me, boy
Then stop wastin' my time

Here we go again
It's the same old song
You're thinkin' you're gon' do me
Like the other ones before, baby

Here we go again
It's the same old song
Ooh, straighten up your act
Or else I'm walkin' out the door

All this time I thought that I
Was the one who had the problem, oh yeah mmm
I gave you everythin', hopin' thin's might change
But still you ain't around, so, whoa

You must think I'm foolish
(Oh, yeah)
You must think I'm blind
(Do you think I'm blind?)
If you want my precious love
Then stop tellin' me lies
(Stop wastin', wastin' my time)

Here we go again
It's the same old song
You're thinkin' you're gon' do me
Like the other ones before, baby

Here we go again
It's the same old song
Ooh, straighten up your act
Or else I'm walkin' out the door

You know I've tried to give you the world
Oh, and everythin' you need, oh
Oh, I tried so many times
You still mistreated me, oh, here we go

Here we go again
(Here we, here we, here we, here we)
It's the same old song
(Here we, here we, here we go again)
You're thinkin' you're gon' do me
(Here we, here we, here we, here we go)
Like the other ones before, baby
(Here we go again, well, well, well)

Here we go again
(Baby, baby, baby, baby, baby, baby, ba-baby)
It's the same old song
Ooh, straighten up your act
Or else I'm walkin' out the door

Here we go again
(If you go away)
It's the same old song
(Won't be long)
You're thinkin' you're gon' do me
(Don't take all my money, baby, I'll be gone)
Like the other ones before, baby

Here we go again
(Oh, ho, baby)
It's the same old song
(Same old rhythm)
Ooh, straighten up your act
(Oh, yes, oh, baby)
Or else I'm walkin' out the door
(Oh, yeah)

Here we go again
It's the same old song
You're thinkin' you're gon' do me
Like the other ones before, baby

Here we go again
It's the same old song
(Same old rhythm)

Ooh, straighten up your act
Or else I'm walkin' out the door

Oh, ho yeah
Hey, well
Yeah, baby, oh oh
