It ain't necessarily so  
It ain't necessarily so  
The things that you liable  
To read in the Bible  
It ain't necessarily so

Now little David was small  
But oh my  
Yes David was small  
But oh my  
He fought big Goliath  
Who lay  
Lay down and dieth  
Yes David was small  
But oh my

Have you ever hear about Jonah?  
He lived in a whale  
You ever heard about Jonah?  
He lived  
Lived in a whale  
And he laid his home  
In that fish's abdomen  
Yes Jonah he lived in a whale

To get into Heaven  
Don't snap for a seven  
Live clean  
And don't have no fault  
And take me  
Oh I takes dat gospel  
Whenever it's pos'ble  
But with a little grain of salt

Methus'lah lived  
Nine hundred years  
Methus'lah lived life  
Nine hundred years  
But tell me who  
Who calls that livin'  
When no gal's given

To no man  
What's nine hundred years  
That's why I say  
That it ain't  
It ain't necessarily  
It ain't  
No  
Necessarily  
It ain't  
It ain't necessarily so  
Ain't necessarily so  
Ain't necessarily so  
Ain't necessarily  
Ain't necessarily  
Ain't necessarily  
Ain't necessarily  
Ain't necessarily so
