I can't remember why we fell apart
From something that was so meant to be
Forever was the promise in our hearts
Now more and more I wonder where you are

Do I ever cross your mind, anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind, anytime?
I miss you

Still have your picture in a frame
Hear your footsteps down the hall
I swear I hear your voice, driving me insane
How I wish that you were (unknown) the same

Do I ever cross your mind, anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind, anytime?
I miss you
I miss you
I miss you

Loneliness and heartache
Crying myself to sleep
Wondering 'bout tomorrow
Won't you come back to me
Come back to me

Do I ever cross your mind, anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind, anytime?
I miss you

Do I ever cross your mind, anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind, anytime?
I miss you

I miss you

I miss you

I miss you
