I was sitting at home  
Yes, I was  
And it occurred to me  
Yes, it did

I thought about the  
Disc jockeys, yeah  
Playing them ballads  
And the beat all day long

So I decided, yes, I did  
Give them a little tune  
They could take five on  
Because I know they get tired  
Playing them records  
All day long

We gonna call it  
We gonna call it  
D.J. and me  
Sing along with Re

Mr. and Mrs. D.J.  
I know your listeners alright  
You get up and do your number  
Right about this time

I'm making it good  
I'll make you feel  
Let it all hang out  
And do your number  
Get down to the  
Real true grit

Hang on in there  
Let it rock. Mr. D.J.  
Get on in there  
Let it roll, oh  
Hang on in there now

We're gonna do it together  
Oh, hang on in there, yeah

Shake your funky soul

We gonna call it  
We gonna call it  
D.J. and me  
Sing along with Re

Here comes the part  
I know you're gonna  
Cause we all get  
A chance to hear you

Here we go  
Hang on in there  
And let it rock  
Oh, hang on in there  
And let it roll

Hang on in there, yeah  
Do it together  
You gonna hang in there now  
Get up, shake your funky soul

Hang on in there  
Have you got it  
Hang on in there  
Oh, have you got it

Oh, hang on in there  
And let it rock, Mr. D.J.  
Hang on in there  
And let it roll

Hang on in there  
Woo, and let it rock  
Mr. D.J. hang on in there  
Let it roll

Hang on in there  
All night long  
Mr. D.J. hang on in there  
Yeah, let it roll

Oh, oh, oh  
Hang on in there  
Good God almighty  
Hang on in there  
You gotta shake  
Your funky soul

Hang on, hang on, hang on

And let it rock  
Mr. D.J. hang on in there  
Yeah, let it roll

Ow, hang on in there  
Ow, and let it rock  
Hang on in there  
You gotta shake  
Your funky soul

Ow, hang on in there  
And let it rock  
Hang on in there, yeah  
You gotta let the  
Good times roll

Hang on in there...
