"Never Let Me Go"

Just let me love you tonight
Forget about tomorrow
My darling, won't you
hold me tight
And never let, never let me go

Dry your eyes
No tears, no sorrow

Cling to me with all your might
And never let me go

A million times or more
We said we'd never part
But lately I find that
You're a stranger,
stranger in my heart

Give me the right
In summer or in spring time
To tell the world that you're all and every bit of mine
And you will never let me go
And never let me go
