You never sure that he's gone be the one
Cause on the first night, he's ready to get the owie
Just cause he kisse you-cheat and called you babe
It doesn't mean he's running no game

(Fantasia)
Oh, would you listen for a minute
You ain't the one whose in Don't get it

(Aretha)
Twisted I ain't hating
Cause I been there and I have done that I am just
watching you

(Aretha&Fantasi;a)

Every man is different;but, the game won't change
-Let me put you up on game
So you don't make the mistakes I made

-Let me put you up on game
Players make the players and the Players make the
game
So before you go and take his last name

And I know you tested th waters in your day
And you been through some things
