Sometimes you love me
Like a good man ought-ta
Sometimes you hurt me so bad
My tears run like water
You get me up
Right before your friends
Then you disown me baby
Until we're alone again

Your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin' up and down all around
It's like a see saw

Sometimes ya tell me
Ya don't need my sweet candy man
And then sometimes baby
Go-go away
An I'll stay

You lift me up
When I'm on the ground
But as soon as I get up now
You send me tumblin' down

Now your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin up.... down
All around
Just like a see saw

When I kiss you and I like it
And I ask you to kiss me again
When I reach for you
Ya jump clean out of sight
You change just like the wind
That ain't right
That ain't right
That ain't right

That ain't right baby

(Instrumental)

Your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin up goin down
Goin all around

It's like a see saw
Your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Goin up goin down
All around
FADES-
It's like a see saw yeah
See saw baby
(See saw
