The long and winding road, oh that leads to your door
Will never disappear, Iâ€™ve seen that road before, yeah
It always leads me here, leads me to your door

The wild and windy night that the rain, oh washed away
Has left a pool of tears crying for the day
Why leave me standing here, let me know the way

Many times Iâ€™ve been alone and many times Iâ€™ve
cried
Anyhow you'll never know all the things that I have tried
Still it leads me back

To that long, yeah winding road
You left me standing here a long, long time ago, yeah
Donâ€™t leave me standing here, lead me to your door

Many times Iâ€™ve been alone and many times Iâ€™ve
cried
But anyhow you'll never know all the things that I have
tried
Oh many times Iâ€™ve been alone and many times Iâ€™ve
cried
But anyhow you'll never know all the things that Iâ€™ve
tried
Many times Iâ€™ve been alone and many times Iâ€™ve
cried
But anyhow you'll never know all the things that Iâ€™ve
tried

The long winding road
Stopped my trying, oh yes I have
Stopped my trying, oh yes I have
Itâ€™s been a long winding, winding road
