Sing it, sing it
(Audience)
Woo, woo, woo, woov

Whoa, ho, ho, ho, Holy Holy
Come together Holy
People, we have got to come together
With all of the strength

Have all of the feeling ooh, yeah
Why Holy Holy?
Come on check out the water now, now
Water, Holy Holy

We should believe
Believe in each other's dreams
Jesus left along time ago
And said he would return

But he left us a book to believe in
And in it we've got a whole lot to learn
Yeah, yeah, whoa, Holy Holy
He can't talk out, can't walk out now, Holy, Holy, Holy

We can rock this earth's foundation
Yes, we can
(Glory)
Can't you see us
(Glory)
Brothers and sisters talkin' about love

Love, love, love, love, love, love, love
Love, love, love, love, love, love, love

Ooh, oho, Holy Holy, we can rock
We can rock this earth's foundation
Umm, hum
(Holy Holy)
Holy, Holy
(Holy, Holy)

Can't you see us

(Wholy)
Comin' together?
Talking 'bout love?
(Wholy)
Movin' and groovin' with a-love

Let it get men with a-love
(Wholy, Wholy)
Doin' and movin' it with love
Love, love, love, love, love
Whoa, Holy Wholy

He proclaimed love, he proclaimed love
About his salvation, oh, yeah, yeah
Yeah, yeah, yeah, yeah
(Wholy)

Whoa
(Wholy)
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy

Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy

Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy
Wholy, Wholy, Wholy

Wholy, Wholy,
Wholy, Wholy
Wholy

Love right now, love brother
Love right now, love
