Sing it, sing it  
(Audience)

Woo, woo, woo, woov

Whoa, ho, ho, ho, Holy Wholy  
Come together Wholy  
People, we have got to come together  
With all of the strength

Have all of the feeling ooh, yeah  
Why Holy Wholy?  
Come on check out the water now, now  
Water, Holy Wholy

We should believe  
Believe in each other's dreams  
Jesus left along time ago  
And said he would return

But he left us a book to believe in  
And in it we've got a whole lot to learn  
Yeah, yeah, whoa, Holy Wholy  
He can't talk out, can't walk out now, Holy, Holy, Holy

We can rock this earth's foundation  
Yes, we can  
(Glory)  
Can't you see us  
(Glory)  
Brothers and sisters talkin' about love

Love, love, love, love, love, love, love  
Love, love, love, love, love, love, love

Ooh, oho, Holy Wholy, we can rock  
We can rock this earth's foundation  
Umm, hum  
(Holy Wholy)  
Wholy, Wholy  
(Wholy, Wholy)

Can't you see us

(Holy)  
Comin' together?  
Talking 'bout love?  
(Holy)  
Movin' and groovin' with a-love

Let it get men with a-love  
(Holy, Holy)  
Doin' and movin' it with love  
Love, love, love, love, love  
Whoa, Holy Holy

He proclaimed love, he proclaimed love  
About his salvation, oh, yeah, yeah  
Yeah, yeah, yeah, yeah  
(Holy)

Whoa  
(Holy)  
Holy, Holy, Holy  
Holy, Holy, Holy  
Holy, Holy, Holy

Holy, Holy, Holy  
Holy, Holy, Holy  
Holy, Holy, Holy  
Holy, Holy, Holy

Holy, Holy, Holy  
Holy, Holy, Holy  
Holy, Holy, Holy  
Holy, Holy, Holy

Holy, Holy,  
Holy, Holy  
Holy

Love right now, love brother  
Love right now, love
