(You're all I need to get by)
(You're all I need to get by)
(You're all I need to get by)
(You're all I need to get by)
(You're all.....I need....to get by-hi-hi)

As long as I got you then baby you know that you got me!
Oh (whoa-oh-ho)
I know that I'll love him tomorrow ESBCT! (oh) whoa oh ho

Like the sweet morning dew
I took one look at you
And it was plain to see you were my destiny
With my arms open wide I threw away my pride
I sacrificed for you, dedicate my life to you
I will go where you lead, I'll be right there in a time of need
And when I lose my will, you'll be right there to push me up that hill

(There's no) no (no lookin' back for us) no way bab-bay
(We've got enough to show love that's enough)
(You're all) you're all, all (you're all I need)
(You're all, you're all I need, you're all)
You're all I need baby baby, to get by yeah, get by

Like an eagle protects his nest, for you I'll do my best

Stand by you like a tree and damn anybody that try an move me
Darling in you I found, straight for I was torn down
I don't know what's in store, but together we can open any door
Just to do what's good for you, I'll inspire you a little bit higher
I know you can make a real man
I'm a soul that didn't have a goal

(Cause we've) yeah (we've got the right foundation)
Yeaaaaaaaaaaaaaaaaah (and we've got determination)

Yes we do (oh) Yeaaaaaaaaaaaaaaaaah
(You?re all, you?re all I need you?re all)
Yes, baby (you?re all I need you?re all)
(You?re all)
Oooo you?re all that I need to get by-i-i-i
Yeah, yeah

Aslongaslgotyouthenbabyyouknowthatyougot me!
(Whoa) whoa (yeah) um umm hum
ThinkinlllovehimtomorrowESBCT! oh whoa oh oh oh oh

(Baby) uum hum uum hum
