When you're down and troubled
And you need some loving care
And nothing, no nothing is going right
Oh close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will
You've got a friend
You, you, you got a friend

If the sky, sky above you
If it grows dark and full of clouds
And that old north wind begins to blow
Keep your head, keep it together
And call my name out loud
Soon you'll hear me knocking at your door

You just call out my name
And you know wherever I am
I will, I will, I'll come running to see you, see you again,
yeah
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will

Now ain't it good to know you've got a friend
When people can be so cold
They will you and they'll desert you
They'll take your soul if you let them
Oh, but don't you let them, no don't you let them

You just call out my name
And you know wherever I am
I'll come running, running, running, running to see you
again
Ooh winter, spring, summer or fall

All you have to do is call
And I'll be there, yes I will
And Iâll be there, yeah
And Iâll be there, yeah, yeah
Youâve got a friend
Youâve got a friend
Youâve got a friend
Oh yeah, youâve got a friend in me
Youâve got a friend
Youâve got a friend
Well, well, well, if you call me when you want me
You can call me when you need me
So just call me
Cos you, you, you, you, youâve got a friend
Ooh, yeah, youâve got a friend
