Like a warrior that fights  
And wins the battle  
I know the taste of victory

Though I went through some nights  
Consumed by the shadows  
I was crippled emotionally

Somehow I made it through the heartache  
Yes I did, I escaped  
I found my way out of the darkness  
I kept my faith, kept my faith

When the river was deep  
I didn't falter  
When the mountain was high  
I still believed  
When the valley was low  
It didn't stop me, no, no  
I knew you were waiting  
Knew you were waiting for me

With and endless desire  
I, I kept on searching  
Sure in time our eyes would meet

Like the bridge is on fire  
The hurt is over  
One touch and you set me free

No, I don't regret a single moment  
No I don't, looking back  
When I think of all those disappointments  
I just laugh, I just laugh

When the river was deep  
I didn't falter  
When the mountain was high  
I still believed  
When the valley was low  
It didn't stop me  
I knew you were waiting

Knew you were waiting for me

So we were drawn together through destiny  
I know this love we share was meant to be

Knew you were waiting  
Knew you were waiting  
I knew you were waiting  
Knew you were waiting for me

I didn't falter  
I still believed  
When the valley was low  
It didn't stop me  
Knew you were waiting  
Knew you were waiting for me

I didn't falter  
I still believed  
When the valley was low  
It didn't stop me  
Knew you were waiting  
Knew you were waiting for me

I didn't falter  
I still believed  
It didn't stop me  
Knew you were waiting

I didn't falter  
I still believed  
It didn't stop me
