Verse:

I should be asleep by now
My eyes are closed and I'm in bed.
Just trying to figure out
How you got so stuck in my head

Ahhhhhhhh
Can this get any better?
Ahhhhhhhh
Can this get any worse?

Chorus:

You take my breath
You break my falls
Doing everything without
Doing anything at all
You're on my mind
You've got me soaked

Verse:

I never thought we'd ever get this far
But now you're mine to lose
I'm not sorry if I tried to hard
I wanna be just right for you

Ahhhhhhhh
Can this get any better?
Ahhhhhhhh
Can this get any worse?

Chorus:

You take my breath
You break my falls

Doing everything without
Doing anything at all
You're on my mind You've got me soaked

Bridge:

Over my head
I come up for air
You've got me soaked

But I'm not saturated... yet.

Verse:

Can we get closer now
There's so much left to be
Start from the top and I'll melt you down
And pour you over me

Ahhhhh

Can this get any worse?

Chorus:

You take my breath
You break my falls
Doing everything without
Doing anything at all
You're on my mind
You've got me soaked

Bridge:

Over my head
I come up for air
You've got me soaked
But am I saturated?
