I don't believe you
Not a word you say
I've had enough
Don't bother peg and pray

I've paid my dues
Witnessed your every move
No longer hypnotized
I'm gonna walk away

Playing with the hand you're dealing
It's playin' with fire

Last card lay down I see it
You're just a liar

You're a heartstealer
Stalking in the dark
Your eyes are cold your hands are quicker than the eye
I don't know who you really are
Go hunt for someone else
Before you go just give me back my heart

Snake charmer
Your thrill is gone
Your sleight of hand
Won't fool me anymore

All you've got for me
Is the shortest straw
Though you've made me bleed
Can't hurt me anymore

Playing with the hand you're dealing
It's playin' with fire

Last card lay down I see it
You're just a liar

You're a heartstealer
Stalking in the dark

Your eyes are cold your hands are quicker than the eye
I don't know who you really are
Go hunt for someone else
Before you go just give me back my heart
