I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two?

Yeah, I know it's hard to remember
The people we used to be
It's even harder to picture
That you're not here next to me
You said it's too late to make it
But is it too late to try?
And in our time that you wasted
All of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairy tales are full of it
One more freaking love song, I'll be sick

I'm at a payphone

You turned your back on tomorrow
'Cause you forgot yesterday
I gave you my love to borrow
But you just gave it away
You can't expect me to be fine
I don't expect you to care

I know I've said it before
But all of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time
When we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairy tales are full of it
One more freaking love song, I'll be sick

I'm at a payphone

No no no no
I'm at a payphone
No, gat da du du du, yeah
No no no
No no no

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairy tales are full of it
One more freaking love song, I'll be sick

I'm at a payphone
