Sitting here wonderin',
If you found another girl or you home sick alone,
Maybe if you'd let me,
I'd call you,
And we could go to da movies, bowling, shopping,
dinner, da club, a parkin' lot,
That's all I got,
I can'y move on,
That's all I got,
I can't move on,
That's all I got.

You'd remind me some of the days we'd go out and
play,
We were the best friend until you found out,
You liked me ,
But then the relationship changed,
I started liking you back,
But some of a reason you'd turn back,
For some of a reason we started breaking off.

Sittin' here wonderin',
If you found another girl or you home sick alone,
Maybe if you'd let me,
I'd call you,
And we could go to da movies, bowling, shopping,
dinner, da club, a parkin' lot,
That's all I got,
I can't move on,
That's all I got,
I can't move on,
That's all I got.

RAP

How would you know,
That behind those eyes a sad girl cries,
About you,
Thinkin' they could've had somethin',
But now that time has come,
To realize that you're not the only one in this world,
So take it easy,
And call that girl from that grade,

For a date,
You never know if she's mad at you, feelin' blue, still is
kew or she just has a bf,
yeah,
She can't just bend for you,
For your info. the girl is still in love with you,
But how would I know,
That girl is me,
That girl is me,
(girl is me),
yeah.
