Turn On Your Transmitter  
I-I-I'm coming through the radio-o  
If you get this signal  
Then drop it down to the floor-oh-oh

You, got me spinning  
I don't know what you do  
But, I'm thinking  
It's so brand new  
And I'm thinking that maybe  
You and me  
Could flip the frequency

If you like this sound  
Then drop it to the ground  
Break it down, drop but  
Twist me like a helicopter  
If you know how  
Why don't you bring it down?  
You gonna need a doctor  
So spin it like a helicopter  
Copter  
Copter  
Copter

I'm so magnetic  
I-I-I know where I'll pull you to the dance floor  
I hit the static you gotta have it  
So come and get it if you want more

You, got me spinning  
I don't know what you do  
But, I'm thinking  
It's so brand new  
And I'm thinking that maybe  
You and me  
Could flip the frequency

If you like this sound  
Then drop it to the ground  
Break it down, drop but  
Twist me like a helicopter

If you know how  
Why don't you bring it down?  
You gonna need a doctor  
So spin it like a helicopter  
Copter  
Copter  
Copter
