Verse 1

Oooooo, yeaaaaaa

Gotta catch my breathe and feel my heart beat
Aint nobody left, just got my two feet.
To carey me on, their playing my song
Been waiting for so long

To see the lights turn on, hear the hands clap
Center stage, aint ever gonna look back
I gotta go on, their playing my song
Been waiting for so long
Been waiting for so long

Chorus

Just break away
Nows the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to loose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the egde.

Verse 2

It's my time now
Gonna change the whole world
See all it takes
Is the heart of one girl
To carey me on, their playing my song
Been waiting for so long

(Chorus)

Bridge

I'm not afraid not fall, to be afraid of hights
Afraid to fly, can't achive it all
Can't achive it all
When I'm living on the edge

Chorus

Just break away
Now's the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to lose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the edge.

Break away
Now's the time, nowhere to hide
Gotta raise the stakes, I'm only gonna let them rise
Nothing to lose, so much to gain
Hearing the crowds calling my name
When I'm living, living on the edge.

Ooooo, when I'm living on the edge
Ooooooo, yeaaaaaa.
