Lady listen cause I got a couple things to say.
And I hope that these here words wont get all in my
way. IÃfÃçâ, -Ã™ m tired of the talking but you see that
IÃfÃçâ, -Ã™ m not walking IÃfÃçâ, -Ã™ m clearly
standing here to let you know that

No other girl, no other girl, no other girl can bring me
to my knees.
No other girl, no other girl, no other
could hold my heart. No.

I know.
Like you know.
ThereÃfÃçâ, -Ã™ s something that youÃfÃçâ, -Ã™ re
doing to me.
My baby.
Follow.
Where I go.
IÃfÃçâ, -Ã™ ll show you whatÃfÃçâ, -Ã™ s destined to
be.
Cause youÃfÃçâ, -Ã™ re my lady.

My, your kiss is just like heaven
Your beauty is so pure.
Got the figure of an hourglass
Make me want you even more
When we touch I feel your waters
When you speak I love your mind.
When you do the little things you do I say do that one
more time.

No other girl, no other girl, no other girl
Can fulfill my needs
No other girl, no other girl, no other girl
Can do me like you do.

I know.
Like you know.
ThereÃfÃçâ, -Ã™ s something that youÃfÃçâ, -Ã™ re
doing to me.
My baby.
Follow.

Where I go.
IÃfÂçâ, -Â™ II show you whatÃfÂçâ, -Â™ s destined to
be.
Cause youÃfÂçâ, -Â™ re my lady.

See its not hard to figure out
Why IÃfÂçâ, -Â™ m stuck on you
I will not be running round like some other guys will do
you
You, I take too serious
Put that on my heart
Take my hand weÃfÂçâ, -Â™ II fly away and finish what
we start

I know.
Like you know.
ThereÃfÂçâ, -Â™ s something that youÃfÂçâ, -Â™ re
doing to me.
My baby.
Follow.
Where I go.
IÃfÂçâ, -Â™ II show you whatÃfÂçâ, -Â™ s destined to
be.
Cause youÃfÂçâ, -Â™ re my lady. (x2)

Mama. ImÃfÂçâ, -Â™ II put this on my mama. And I
wont bring you no drama. And IÃfÂçâ, -Â™ II never
steer you wrong.
Mama. My life is so much common. Never disrespect
your honor. And I wont affect your heart

I know.
Like you know.
ThereÃfÂçâ, -Â™ s something that youÃfÂçâ, -Â™ re
doing to me.
My baby.
Follow.
Where I go.
IÃfÂçâ, -Â™ II show you whatÃfÂçâ, -Â™ s destined to
be.
Cause youÃfÂçâ, -Â™ re my lady.
