whoo whoo oooo ooh ooh hey

Im lovin everyday
I'll neva let you go
I bet you think yo shit don't stink and your too hot for
me
I'll never chase
Once I catch you'll neva let me go no no no noo
whoaah
But your the baddest mothafucka I ever seen
You got my head twisted what Im imagining..
I've neva been one to buckle unda the pressure
ooh what you do to me, baby I gotta have you..

Jadakiss:
Now I done came across some of the baddest But I
cant quite figure out ya status
Be a piece of cake once I get it established
Then I can get over the emotional maddness
Eye contact is ??
Approach is crucial
Definetly not what im used to
Stallin and frontin
Aint like she more than a woman
Gotta put it all into nuttin

Girl, Im not even gonna lie
My self confidence runs dry
Everytime I see ya
(When I see you)
oh oh ohh for real
Im terrified of you
Cuz theres somethin about ya
Im terrified of you
And when it all boils down
Im terrified of you
Cuz your too bad

I wait sometimes like I dont want to get right home
I catch the bus just to sit next to u and hear your tone
I dont say nothin

Keep a safe distance
Im observin you from afar (from afar)
But your the baddest mothafucka I ever seen
You got my head twisted what Im imagining..
I've neva been one to buckle unda the pressure
ooh what you do to me, baby I gotta have you..

Jadakiss:

Yo I gotta alot of pride but im terrified
God is my witness I aint neva lie
She bring tears of joy to my eye
Aint seen nothin like her in years.. about 5
Gotta try one more time before I leave
Wheres my self confidence when I need it?
Damn now its on strike
Ima be thinkin about this all night

Girl, Im not even gonna lie
My self confidence runs dry
Everytime I see ya
(When I see you)
oh oh ohh for real
Im terrified of you
Cuz theres somethin about ya
Im terrified of you
And when it all boils down
Im terrified of you
Cuz your too bad

Theres no insecurity what im goin through
Just the way I feel about ya dont know what to do
Is it diamonds that you want or do you want feathers?
Or do you need someone to put it down constantly?

Girl, Im not even gonna lie
My self confidence runs dry
Everytime I see ya
(When I see you)
oh oh ohh for real
Im terrified of you
Cuz theres somethin about ya
Im terrified of you
And when it all boils down
Im terrified of you
Cuz your too bad

your too bad baby
whooo ooh
mothafucka
