Hi, I was in here about ten minutes ago  
I just bought this boombox  
It's playing at the totally wrong speed  
I want a refund, or

Aw, I'm sorry son, haha  
Could you just give me another one?  
No

The sale is final, no rebates  
If you're a member you can come and save  
So would you help me  
Or give me a break in credit?  
(In credit)

You read the fine print and you signed  
No, we're not authorized, the card's declined  
If you'll just sign here  
We can change your dimes in credit

In credit, keep what you use  
In credit, all choices by you  
In credit, go buy something used  
In credit, credit, credit, credit  
Check it, credit

The warranties do not suffice  
You pay the price  
The policy is what you break  
You buy some credit

We'll send you coupons in the mail  
It's quite a markup, so don't buy retail  
Don't get a load  
For we get for sale in credit

In credit, do what you're told  
In credit, we turn when you're old  
In credit, dead and old  
Check it, credit

Your driving record is not clean

Your mortgage payments remain outstanding  
Give us your body or we'll dock nineteen in credit  
All is fair and fair's a game

The game is buying  
And you're forced to play  
When you're old  
Your kids will trade your brains for credit

For credit, you'll always come back  
With credit, you'll never keep track  
Do credit, it's better than crack  
Ah, credit, no turning back in credit

Oh, I've got bad credit, whoa  
Credit  
What's that? Oh  
Credit

It hurts me  
Credit  
Makes me so hot

Take it back, take it back  
To an ATM machine  
Go right away  
And check your credit

Check your credit  
Check your balance  
Check your credit

Give me some credit  
No  
You're being retarded, please?
