Would you like to be mine?
Okay then, I'll be yours for just one day
Haha, just joking tell me when to start
Oh oh, you're just playing hard to get
Yeah, I know, I've been told

Off in the world
Off in the world the girls adjust
I'm lost for words

When you're sitting alone
Don't you know the boys will cry
But not I

I just want to see the smile on your face
Yes, I see through all the trends
Let's be friends, don't say no

Off in the world
Off in the world the girls adjust
I'm lost for words

"I give dirty pussy to everyone
I crazy like Gideon, ha, ha
I chomp on punani
Bloody vagina
Me feast on placenta, placent"

Give me what you are
But oh no, I'm not usually this way, I'm okay
It just happens every time that I try
Did they make a life tonight?
I won't lie but I'm sold

Off in the world
Off in the world the girls adjust
I'm lost for words
