C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

I named him Jules, he stole my baby then he stole my
heart
I knew that he was a tiger right from the start
She plays rough with him 'cause he's her ragamuffin,
oh yeah
She played hard and then he got harder
She kicked his head that's when he got on her

I said to Jules
"Just 'cause you're a cat don't mean you ain't a man"
"Just 'cause you're a man don't mean that every pussy
need a dad"
"Can't have you cream on my girl
Find another dealer to pawn off your pearls"

Jules lost his jewels when he came up pearls
They took his manhood
Jules lost his jewels when he turned 18
Went down to West Hollywood

Jules lost his jewels when he came up pearls
They took his manhood
Jules lost his jewels when he turned 18
Went down to West Hollywood

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca

Jules made a mess of my baby's dress late last night
Pumpin' up 'n' down with every whimpering pound,
well, oh my
She shook her knee and woke me up
Said, "That sick little brat's got my leg in a hump, well
alright"

I pulled on his socks, pinned him down on his back
Said, "How does that feel?"
Then he sprayed on my lap, no!

Jules lost his jewels when he came up pearls
They took his manhood
Jules lost his jewels when he turned 18
Went down to West Hollywood

Jules lost his jewels when he came up pearls
They took his manhood
Jules lost his jewels when he turned 18
Went down to West Hollywood

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca

C'est la vie
C'est la vie, comme ci, comme ca
C'est la vie
C'est la vie, comme ci, comme ca
