Life in L.A.  
Well, what can I say?  
It's a treasure to find  
So many ways to unwind

You could be so lonely  
Life in L.A. is so lonely  
Is so lonely that way

Life in L.A.  
Come on out if you're gay  
Make your babies and money

Move in together  
Take out that loan  
Honey, it's now or never

The weather is your boyfriend  
On a Saturday  
Stay in bed

You could be so lonely  
Life in L.A. is so lonely  
Is so lonely that way

My girl in my car  
But we're not getting too far  
Yes, I'm taking her home  
Halfway to Fresno at dawn

Every peck on my cheek  
When I look at her face  
Every time we make plans  
I think lever and bass

Life in L.A.  
Like a day in my brain

And did you know  
You could be so lonely?  
Life in L.A. is so lonely  
Is so lonely that way

Take me home
