Sky sky cam what's seen before you  
Contrived tracking systems live  
Last name laden is soaked in sodom  
We tried our best now test these organs  
Lonesome kittens walk in circles  
Milky substance rains from eyes  
Hocus pocus not precocious  
We're lightly tapping heavens forehead  
Bomb the building bang bin laden  
Building the bombs bam bomb building  
Oh little reindeer soaked in semen  
Caca's burning under thunder  
Slightly sopping sucking whirlwind  
Yer family's tightly flapping curtain  
Sky sky cam what's seen before u contrived tracking  
system lies  
Last name laden is soaked in sodom  
We tried our best now testis organ..building big bomb  
building the bombs building bombs  
Verse 2  
The human race is an invention of the west foreign  
every other land  
The swine walk around as man and the sheep can't  
know that they sleep...  
My evil the man before u is not a man but a dog I've  
extinguished the flames with hot piss so I ask  
Is that all there is to a fire  
Freedom!  
Gonna get em, we got em, we gotta  
X 10  
No time for your burning bras or talk of mass deception  
Pull your guns let terrorism stir up your aggression  
Gonna get em we got em, we gonna..x 4, x10  
Stand up for your right to talk about US domination  
Crawl into the trenches and join the real worlds form of  
conversation  
Gonna get em we got em we gotta x8  
No time for your burning bras or talk of mass deception  
Pull your guns let terrorism stir up your aggressions  
yeah....  
We're gonna be wiped out!  
Wind me up with evil so I can fight fire with fire
