Well I guess it's kinda funny how  
I loved you so way back when  
You say I wouldn't know you now  
Well i didn't even know you then  
We change  
(we change)  
A lot  
(a lot)  
And no one here can stop  
That train  
(that train)  
Before  
(before)  
It gets to where it's going  
At all  
Well I guess it's kinda funny how  
I loved you so way back when  
You say I wouldn't know you now  
Well i didn't even know you then  
I heard  
(I heard)  
About  
(about)  
The company you're keeping  
And from  
(and from)  
Someone  
(someone)  
Who didn't have much interest  
In keeping us apart  
Well I guess it's kinda funny how  
I loved you so way back when  
You say I wouldn't know you now  
Well i didn't even know you then  
And so I go out Friday night  
And talk to anyone i can  
If they can see me  
They can't hear me run my mouth  
I tell them all I'd love to see you once again  
Or maybe just run into you hanging out  
Hanging out  
You know

(you know)  
I lie  
(I lie)  
So it comes as no surprise  
When I  
(Admit)  
That I  
(That I )  
Don't really want to reunite  
Well I guess it's kinda funny how  
I loved you so way back when  
You say I wouldn't know you now  
Well i didn't even know you then  
Well I guess it's kinda funny how  
I loved you so way back when  
You say I wouldn't know you now  
Well i didn't even know you then  
No I didn't even know you then  
No I didn't even know you then
