The footprints over the snow  
The fabric of all the lonely  
C-covering only  
The fables and hands  
The rest is out in the cold  
Holding the last of the season  
F-F-F-F freezin'

Yeeaaaah!

My my my heart like a kick drum  
My my heart like a kick drum  
My my heart like a kick drum  
My my love like a voice

We're walkin' into the field  
We're walkin' into the forest  
The moon is before us  
Up above  
We're holdin' hands in the rain  
S-sayin words like I love you  
Da-da do you love me?

Yeeaaaah!

My my my heart like a kick drum

My my heart like a kick drum  
My my heart like a kick drum!  
My my love like a voice

Mother Mary heard us approaching her door  
Though we didn't make a sound

There's nothing like finding gold  
within the rocks or the coal  
I'm so surprised to find more  
Always surprised to find more

I won't look back anymore  
I left the people that do  
It's not the chase that I love

It's me following you

My my heart like a kick drum  
My my heart like a kick drum!  
MY MY HEART LIKE A KICK DRUM!  
MY MY LOVE LIKE A VOICE!

My my heart like a kick drum...
